DEGREASER & CLEANER

PUREOUS™ Degreaser and Cleaner is a general cleaning product formulated for all types of surfaces such as bathrooms, floors, sinks, toilet bowl, urinals, kitchen floors, stoves, tile floors, concrete floors (shops), counter tops, stainless steel, table surfaces, carpet extraction, windows, mirrors and more....

PUREOUS™

APPLIED ENVIRONMENTAL SCIENCE.
THE SAFE WAY

Technology

PUREOUS™ Degreaser and Cleaner is a revolutionary new product that works by use of PUREOUS™ powered technology that cleans at the molecular level. Unlike other cleaners it attacks dirt, stains, oils, grease, grime & odors at the source rendering them bio-unavailable making them go away and stay away forever.

Simplicity

PUREOUS™ Degreaser and Cleaner is an easy to use all-purpose cleaner that will effectively clean all types of surfaces including windows, mirrors, floors, walls, restrooms, sinks, urinals, toilets, kitchens, stoves, tile & grout, stainless steel, table surfaces, concrete floors, counter tops and more.... By stocking PUREOUS™ in your inventory you can minimize SKU's, Inventory surplus, storage, and employee training.

Green & Safe

PUREOUS™ Products are environmental, animal and people friendly. They contain none of the toxins, harsh chemicals, fragrances, dyes, allergens, or volatile organic compounds (VOCs) found in many traditional cleaning products. This product also removes toxins and harsh chemicals that can build up over time, improving indoor air quality and making the environment healthier every time you use PUREOUS™.

PUREOUS™ is Different

Most cleaning, remediation and odor products are worse than the problems they try to solve. PUREOUS™ Products are proven to be more effective than the competition, safer for the environment and healthier for people and animals. Using PUREOUS™ Products actively improves indoor air quality.

Unlike other cleaning, remediation and odor elimination products PUREOUS™ patented and proprietary products are proven effective without exposing people to toxins, harsh chemicals, allergens or volatile organic compounds (VOCs).

PUREOUS™ uses a revolutionary technology that produces ZERO VOCs and has been proven to be more effective than the competition and safer for people, animals and the environment. This innovative technology is also cost-effective allowing for better, more efficient cleaning that becomes easier and requires less product over time.
