HEAVY DUTY CLEANER

PUREOUS™ Heavy Duty Cleaner is our most powerful product formulated for your toughest cleaning and degreasing jobs containing the nastiest crud and grime.

Technology

PUREOUS™ Heavy Duty Cleaner is a revolutionary new product that works by use of PUREOUS™ powered technology that cleans on the molecular level. PUREOUS™ Heavy Duty Cleaner product, uses a combination of silicate reaction and surface charge modification to release oils and grease from surfaces while breaking them down through molecular degradation.

Simplicity

PUREOUS™ Heavy Duty Cleaner is our most powerful easy to use all-purpose cleaner that will effectively clean all types of surfaces. It is easy to use on industrial and commercial jobs. It cleans and degreases while removing unwanted contaminants. It works to break down Fats, Oils, and Grease (FOG) in commercial and institutional food settings.

Green & Safe

PUREOUS™ Products are environmental, animal and people friendly. They contain none of the toxins, harsh chemicals, fragrances, dyes, allergens, or volatile organic compounds (VOCs) found in many traditional cleaning products. This product also removes toxins and harsh chemicals that can build up over time, improving indoor air quality and making the environment healthier every time you use PUREOUS™.

Directions

Light Cleaning	Dilute 1:70 (2oz./gal) Spray surface and wipe with sponge, brush, mop, or cloth.
Normal Cleaning	Dilute 1:30 (4oz./gal) Spray surface and wipe with sponge, brush, mop, or cloth.

PUREOUS™ is Different

Most cleaning, remediation and odor products are worse than the problems they try to solve. PUREOUS™ Products are proven to be more effective than the competition, safer for the environment and healthier for people and animals. Using PUREOUS™ Products actively improves indoor air quality.

Unlike other cleaning, remediation and odor elimination products PUREOUS™ patented and proprietary products are proven effective without exposing people to toxins, harsh chemicals, allergens or volatile organic compounds (VOCs).

PUREOUS™ uses a revolutionary technology that produces ZERO VOCs and has been proven to be more effective than the competition and safer for people, animals and the environment. This innovative technology is also cost-effective allowing for better, more efficient cleaning that becomes easier and requires less product over time.
